Sir:

This patent application is a division of application no. 10/209,432. Prior to examination, please amend this division application by adding the paragraph shown on page 2 of this paper to the specification on page 18, between lines 25 and 26, and by canceling claims 1-28 and 31-48, leaving the full listing of claims beginning on page 3 of this paper. Explanations of the amendment appear in the section entitled "REMARKS" which appears on page 9 of this paper.
